BTL INTIMA™

**LOOK DIFFERENT
FEEL DIFFERENT**

Measurable results after a single session

Exceptional comfort and safety

Short treatment times

No pain medication, no downtime

Available for all skin types

Using the EFC Elite system, the BTL INTIMA™ treatment delivers a superior level of comfort and safety.

WHAT IS THE **BTL INTIMA™** TREATMENT?

The BTL INTIMA™ provides the only non-invasive labia modeling treatment on the market. BTL INTIMA™ delivers measurable clinical outcomes with superior levels of comfort and safety.

WHO IS THIS **PROCEDURE** RIGHT FOR?

BTL INTIMA™ treatments are safe for patients of all ages and skin types. This is an option for those who desire non-surgical aesthetic improvement and enhancement of sexual satisfaction by non-invasive remodeling of the labia.

HOW MANY **TREATMENTS** DO I NEED?

The recommended number of treatments is between 4 to 6 sessions over the course of a few weeks. Treatments are typically scheduled twice a week and patients have reported visible improvements even after a single treatment session.

WHAT KIND OF **RESULTS** CAN I EXPECT?

While BTL INTIMA™ is heating the treated area, you will remain relaxed and comfortable. Following the treatment, you may notice mild redness in the treatment area. This usually disappears in a few hours. You may resume normal activity immediately.
